

Audet dit Lapointe Family – Trip to France **Paris and Western France : May 23 to June 4, 2024**

The ADNAL's private trip "Back to our Ancestral Land", initially scheduled for May 11 to 24, 2024, unfortunately **had to be canceled due to an insufficient number of registrations** by the deadline of October 15, 2023.

As an alternative, ADNAL now offers you another trip "**Paris and Western France**", also organized by Groupe Voyages Québec, still in spring 2024, with a more flexible program, without minimum registrations, and at a more advantageous price. This trip is not exclusive to ADNAL and is also open to the public, but ADNAL has reserved a block of twenty seats. Several of the places and visits planned for the initial "Back to our Ancestral Land" trip will also be included in this trip.

Here are the highlights for this new trip:

Travel dates : **May 23 to June 4, 2024.**

The detailed itinerary is in a separate attachment to this article.

Optional visit to Maulais-Taizé (Baptism place of our ancestor Nicolas Audet) in the afternoon on June 2, 2024 (day 11) **for ADNAL members** (with additional costs) to fill the free time planned in the overall program.

Costs for this trip :

Promotional rate for registrations (with deposit) **before December 1, 2023:**

- **\$4799** per person in **double** occupancy; **\$5979** for **single** occupancy

Regular rate for registrations **starting December 1, 2023 :**

- **\$5099** per person in **double** occupancy; **\$6279** for **single** occupancy

An **initial deposit of \$1000** is required upon registration. **Final balance due February 13, 2024.**
